## **New Deputy Chair for Poseidon Steering Committee**

LONDON 29th July 2020

**Poseidon is delighted to announce that Mr David Bang, Global VP Strategic Development at Hellmann Worldwide Logistics, has accepted an invitation to serve as the Vice-Chair of the Poseidon Steering Committee.**

David brings enormous experience and respect from his tenure as CEO of DHL LifeConEx and other roles

David will work alongside Chairman Torben Weilmenster in overseeing the program and co-ordinating the steering group. The post has a 2-year tenure.

Introducing the new addition, committee member Alan Kennedy remarked: "David is an extremely knowledgeable and driven leader and will be an enormous asset in this role as we start to focus in on the commercialisation phase. Welcome to the committee David!"
